Dear Sir:

Petition regarding Omitted Items in a Nonprovisional Application

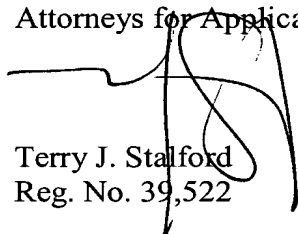

Applicants request that this Petition be entered in the above-identified nonprovisional patent application. Applicants filed Figures 7, 10, and 13c, with the nonprovisional patent application on September 11, 2003. In particular, Figure 7 is the flow chart on the right side of sheet 7/16 of the filed drawings. A copy of filed sheet 7/16 with an indication of Figure 7 is attached as Exhibit A. Figure 10 is the block diagram at the bottom of sheet 3/16 of the filed drawings. A copy of filed sheet 3/16 with an indication of Figure 10 is attached as Exhibit B. Figure 13c is the flow chart at the bottom of sheet 15/16 of the filed drawings. A copy of sheet 15/16 with an indication of Figure 13c is attached as Exhibit C. Reference to these figures by figure number was missing as the figures for the application were copied in such a way that the very bottom portion of the figures were cut off.

Receipt by the U.S. Patent and Trademark Office (USPTO) of all figures is shown by the copy of the postcard indicating 16 sheets of formal drawings, which was stamped and returned by the USPTO and which is attached as Exhibit D. Applicants have enclosed 16 replacement sheets of formal drawings for the above-identified patent application. Applicants submit that these sheets have the appropriate margins and identify Figures 7, 10, and 13c. Applicants further submit that no new matter is added by these corrected drawings as they are the drawings as originally filed but with corrected margins and as parent

application 09/908,011 was incorporated by reference to the extent that any portion of it was inadvertently omitted in filing this divisional application.

Applicants enclose a check in the amount of \$130.00 to cover the cost of filing this Petition. Although Applicants believe no other fees are due, the Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. 02-0384 of Baker Botts L.L.P. In addition, because Figures 7, 10, and 13c were originally received by the USPTO, Applicants request a refund of the petition fee.

Respectfully submitted,
Attorneys for Applicants
